Homeschooling—What is it all about?

Date: Saturday, February 26, 2005

Time: 10:00 am – noon

Location: Sun Room, Alberta School for the Deaf, 6240 - 113 Street, Edmonton

Our host will be Lorelee Johnson.

Is homeschooling an option for your child? What are the benefits and what are the impediments? Is there support from the school system for your journey? Do you meet other families? What are the daily challenges? What happens if you decide to integrate into the school system?

These and other questions will be addressed in the first hour. In the second hour, Lorelee has invited other homeschoolers to join in to share their experiences, and be available to answer other questions.

Lorelee Johnson is a homeschooling parent of three children, ages 10, 6 and 3. She is currently in her third year of homeschooling. Lorelee serves on the executive of the Edmonton Association for Bright Children (EABC) and the Alberta Associations for Bright Children (AABC).

The Edmonton Association for Bright Children (EABC) is the Edmonton chapter of the Alberta Associations for Bright Children (AABC). EABC is a volunteer organization of families that provides activities, resources and support for bright children and their families. Membership is open to all.
